Re: Open Records Request to the OCPD dated April 30, 2019

Mr. Knox:

Please be advised that your above-referenced Open Records Request has been referred to me for response. In this request, you ask for:

A copy of all records and communications – including emails and memos – relating to the FBI's assistance in monitoring the July 10, 2016 Black Lives Matter protest in Oklahoma City. The fact of the FBI's assistance is documented in publicly released records here:

...

Please limit your search to records created between June 30, 2017 and August 10, 2017.

As per your request, the OCPD has limited its search for the records for the time period requested. There are no such records.

Sincerely,

A handwritten signature in cursive script that reads "Rich".

Richard C. Smith
Assistant Municipal Counselor
